

“On Course with the DJGA”

News from the DJGA...

Happy New Year from the DJGA! Hope everyone was able to spend some quality time with friends and family over the holidays.

Here are some important items we are working on ...

- ◆ We’ve been working hard to solidify new golf courses for our WDJT and DJGA events. With a good amount of them in new locations in 2014, it will make for yet another competitive and exciting golf season.
- ◆ Our Dome Tour will kick off in January and run until the middle of May. With a structured program, you are sure to see a benefit having your child or children involved in our program.
- ◆ We are working hard in rechecking our junior club inventory to ensure that we have the best equipment for your junior golfer.

Make sure you take the time to visit the Fore Seasons Center this winter and take advantage of the opportunity to hit golf balls inside. With its new short game challenge off to a great start it’s a good way to stay loose and ready for this spring season.

2014 DJGA Dome Tour

The 2014 Dome Tour is an 8 week program designed to get junior golfers prepared for the upcoming golf season. The program is limited to boys and girls ages 10 and up.

Program Structure

For a period of 8 weeks, golfers meet once a week for 1 hour in the afternoon in small groups. During these practice times, the first 10-15 minutes will be dedicated to group instruction on a particular topic. The rest of the time will be used for skill practice with professional golf instructors providing individual help to the group. Groups will be divided into two age groups (10-13 and 14 & up). The 10-13 year olds meet from 1:00-2:00 p.m. and 14 & up year olds meet from 2:00-3:00 p.m.

Cost: \$5.00/per week
