

2023 was Record Setting Year for DJGA! 2024 to continue growth!

We promised our partners and sponsors that 2023 would be our biggest yet and by looking and analyzing all of the numbers, 2023 was better than we could have imagined!

Thanks to all of our corporate partners and supporters across the region, we were able to put more juniors on the golf course at reasonable cost than ever before. Enclosed you will find a list with all of the accomplishments for 2023! Thank you to all of you that made this happen!

Back again for our 2024 packages are the piece that made 2023 popular.... More access to golf with passes to Riverwood and Prairie West available with each package. Each of you have the opportunity to choose where to play, and again with the funds from these packages allowing more juniors access to golf courses across the state in 2024!

We look forward to hearing from each of you about the opportunities for 2024, as we continue to grow and expand our reaches like never before!
